

Dear Rt. Hon Mr Dowden MP and Cllr Clapper,

Re: Elstree Schopwick Surgery Patient Liaison ahead of Hertsmere Local Plan

We are writing to you on behalf of ALFA (Allum Lane Fields Association, with over 350 members).

We are outraged that a local doctor's surgery has consulted with patients about a relocation of their surgery incorporating a very large development of houses and a care home, all on green belt land, ahead of the Hertsmere Local Plan, not due until Spring 2021.

Attached is a copy of the Schopwick Surgery's communication, together with the letter we e-mailed to those involved.

We would very much appreciate your comments on this as it is of huge concern to us.

Yours sincerely,

Jeannie Hinds, Marcia Freeman and Helen Stammers
On behalf of ALFA
